

Re-Gathering

October 21, 6:30-7:30

I'm a Parent, what do I need to know?

Drop Off:

- **Park your car**
- **Walk your child(ren) to their classrooms**
Cubbies – turn right at the Children's Welcome desk
Sparks – turn left at the Children's Welcome desk
T&T – go up the Grand Staircase (see diagram)
- **Remove the pre-printed security sticker from the felt board outside the classroom. Place child's sticker on him/her and take the guardian receipt with you.**
- **Note: the leader in the classroom will ask if your child has had a temperature over 100.4 within the last 48 hours. If so, your child will not be permitted to enter.**
- **Parents will exit the building via the West Children's Exit Door. T&T parents will use the Children's staircase to return downstairs to exit via the West Children's Exit Door.**

Pick up:

- **Remain in your vehicle and drive to kitchen door on the west side of the building.**

- **Show your guardian receipt (physical or digital) to the volunteer so that volunteer can call for your child(ren)**
- **Drive forward to the West Children's Exit Door where a volunteer will confirm the guardian receipt and then assist children getting into the vehicle.**
- **For children who need assistance buckling into a carseat, parents will be permitted to step out of the vehicle.**

Safety protocols:

- **Keep your child home if he/she has had a temperature of 100.4 or higher within the last 48 hours**
- **Staff and volunteers will wear face coverings/masks; masks are optional for children**
- **Please take your child to the restroom prior to drop off**
- **One-way traffic flow in the building**
- **Class size limits to maintain social distancing as much as possible**
- **Large group lessons are discontinued until further notice – teaching will be accomplished in the classroom**
- **Game Time is being adapted to help ensure physical distancing – no relay races where batons are passed, no racing to the center of the games square, etc. We will utilize the parking lot when weather permits.**
