LETTER FROM PASTOR JJ

STF Family,

As I look back over this past year at South Tampa Fellowship, one thing keeps coming to mind. After 27 years as a church, you might think there wouldn't be many "firsts" left. Yet, in so many ways, this has been a year filled with them.

This school year, we opened the doors to the STF Day School for the first time. We now have the privilege of ministering every week to families with young children, from 18 months through 4 years old, both from our church and throughout our community. It has been exciting to watch this new ministry take shape and to think about the opportunity God has given us to begin building relationships with these families during such an important season of their lives.

We also launched our Ministry Residency this year. The Residency gives people from within STF, as well as those who may come to us from around the country, the opportunity to receive hands-on ministry experience while learning and serving alongside our staff and church family. One of the responsibilities we have after 27 years of ministry is to invest in the next generation of leaders, and I am excited about what this could mean for the future.

Probably the moment from this past year that I am most excited to tell you about happened just a few weeks ago at Missions Connect.
By the last Sunday of August, we had already met our annual budget. Our church year doesn't end until October 31, so meeting our budget more than 2 months early was incredible. It was another reminder to me of just how generous you are and how faithfully you continue to support the ministry God has entrusted to us.
Because of that generosity, we were able to do something we had never done before. On the first Sunday of September, we gave the entire offering away to The Timothy Initiative Global to help advance the Gospel and plant churches around the world.

This one was especially meaningful to me because I had the opportunity this year to travel to Ghana, Benin, and Togo and see this work firsthand. I met pastors and disciple-makers, watched believers being baptized, and saw churches being planted in places where the Gospel is spreading at an incredible pace. Some of what I witnessed was honestly hard to believe until I stood there and saw it for myself.
Through your generosity that Sunday, STF was able to help plant more than 280 churches in West Africa.

When I put all these things together, I think they say something important about where we are as a church. After 27 years, God is still giving us new opportunities to reach people and advance the Gospel. Some of those opportunities are right here in Tampa through ministries like our Day School and Ministry Residency, while others are thousands of miles away in villages across West Africa.

There is so much from this past year that we can be thankful for, and you will see many more of those stories and numbers throughout this annual report. Behind every number is a person, a family, or a story of God's faithfulness, and Sharon and I continue to be incredibly grateful that God allows us to serve alongside you.

It is a privilege to be your pastor.

JJ Johnson
Senior Pastor

We are broken people becoming authentic followers of Jesus.

OUR CORE VALUES

We live like family.
We're more than a church—we're a family. We celebrate together, carry each other's burdens, and walk side by side as we follow Jesus. In a world marked by isolation, we want to be a place of belonging, safety, and home for anyone who needs it.

We prioritize presence.
We chase God's presence above all else. At STF, we make space for Him to move and bring that same Spirit-led presence into our homes, neighborhoods, and all of South Tampa.

We prepare future leaders.
We equip and unleash the next generation for gospel impact. At STF, we don't hoard influence—we multiply it. Everyone has a role in God's kingdom, and we're committed to raising up students, young adults, and emerging leaders to make disciples, lead ministries, and shape culture for Christ.

Standing Committees

STF's standing committee members and trustees serve three-year terms, with one-third of the members rotating off each year. Listed below are the proposed new committee members and trustees. Please pray for them as they begin their terms of service to the Lord's Kingdom through South Tampa Fellowship.

Personnel Committee

Nominating: Anthony Carpenelli
Nominating: Padgett Holloman

Finance Committee

Nominating: Steve Pickett

Properties & Facilities Committee

Nominating: Johnny Hickman
Nominating: Kathryn Burgess
Nominating: Brue Bode

Nominating Committee

Nominating: Jared Kauffman

Missions Committee

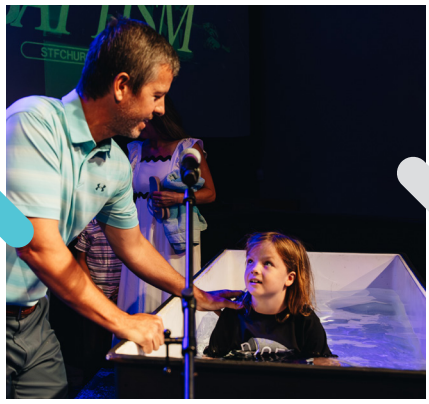

Nominating: Sara Winston
Nominating: Charles Slaven
Nominating: Delana Traugett
Nominating: Karl Luney
Nominating: George Koulianos

Trustees

Nominating: David DeVinney
Nominating: Matt Nicholas

MEMBERSHIP

Discover STF

Our membership class continues to be the front door for many people exploring who we are as a church. Over the past year, **94 people** attended Discover STF, with **37 people** choosing to become members of our church family. Discover STF provides a clear on-ramp to understanding our mission, vision, and values, and helps people take their next step in belonging to our church.

Baptism

We also celebrated the joy of baptism as **64 people** publicly declared their faith in Jesus. It was a year of tremendous life change as we witnessed people of all ages — from children to senior adults — step forward in obedience to Christ. Each baptism was a testimony of God's grace at work in our church family.

New Here?

Since Easter, we've welcomed an estimated **300+ visitors** across all three campuses, creating opportunities to meet people, hear their stories, and pray with them. Our services are now near capacity week after week.

Our New Here Dinner welcomed **40 people** in May, with **55** already registered for the upcoming dinner. Our New to STF Community Group has **25 regular attendees**, with **38+ registered** each week. We're encouraged to see people finding community and continuing to build relationships beyond these first connections.

SENIOR SAINTS

Our Senior adults are a blessing to STF. Their legacy is an important part of who we are. We are so honored to have senior saints who are excited to see the next generations find and follow Christ. Every Sunday morning in the west auditorium, we have a live praise band singing hymns, choruses, and southern gospel music at the 9 am service.

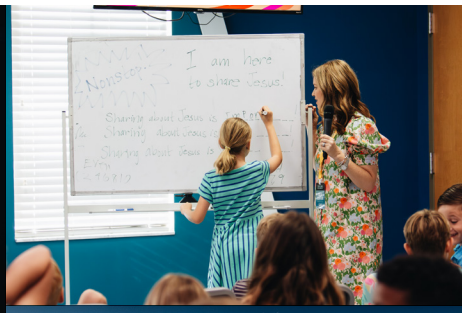

We also have a Chapel service on Tuesday mornings at 8am in the west auditorium. There has been an average of **25 that attend**. This is where we pray, share updates, sing a couple songs, and hear a short devotional from Pastor JJ. There is a free breakfast provided. There is no sign up needed. This is a great opportunity to start the day with food and fellowship. There are several other special events throughout the year to honor those where honor is due.

If you would like more information about the Senior Adult ministry call the church office at **813-251-1515**.

STF KIDS

This year, we celebrated 30 child dedications and **7 baptisms**. VBS welcomed **362 kids** and **152 volunteers**, and we now have **14 youth students** serving in STFKids each week. We're grateful for every child, family, and volunteer helping the next generation grow in their love for Jesus.

Celebrating Growth and Impact in Kids Ministry

We've had so many sweet moments in

STFKids this year. From new kindergartners boldly praying and worshipping in their elementary classrooms, to our littles growing in confidence as they get to know and love their leaders, to 5th graders stepping up in small groups, we've watched our kids take beautiful steps toward becoming authentic followers of Jesus.

One of our favorite stories has been Carter, a kindergartner who regularly prays bold prayers for his friends, family, and city to know and love Jesus. His hand is often the first to go up when we ask for prayer. Though he's usually the youngest in the room, his love for prayer has encouraged all of us.

We've also loved seeing the Pickett family serve together. Mr. Steve has been a faithful part of STFKids for years, and recently his daughter, Peyton, joined him in serving. Watching them love and serve our kids together has been such a sweet picture of what it means to live like family.

This year, we also welcomed Kylie Hawken to our Davis Islands team and Awana ministry, and Lauren Welch to lead our preschool ministry at Ballast Point. We're so thankful for their love for Jesus, our kids, and our church.

STF YTH

2026 was an incredible year of raising authentic followers of Jesus in STF Yth. This year, students began taking real ownership of our vision to bring the presence of Jesus into every corner of South Tampa. We saw students share the gospel with friends on their teams, in their classrooms, in group chats, and even in their own homes.

One of the most meaningful examples came from GG, a student who recognized her own home as the corner God had called her to. She began praying for her mom's salvation and inviting her to church. On the final night of One Week, her mom came and gave her life to Christ. It was a beautiful picture of a student embracing the vision of our church and living it out right where God had placed her.

411 students attended One Week, with **80+ leaders** serving throughout the week.

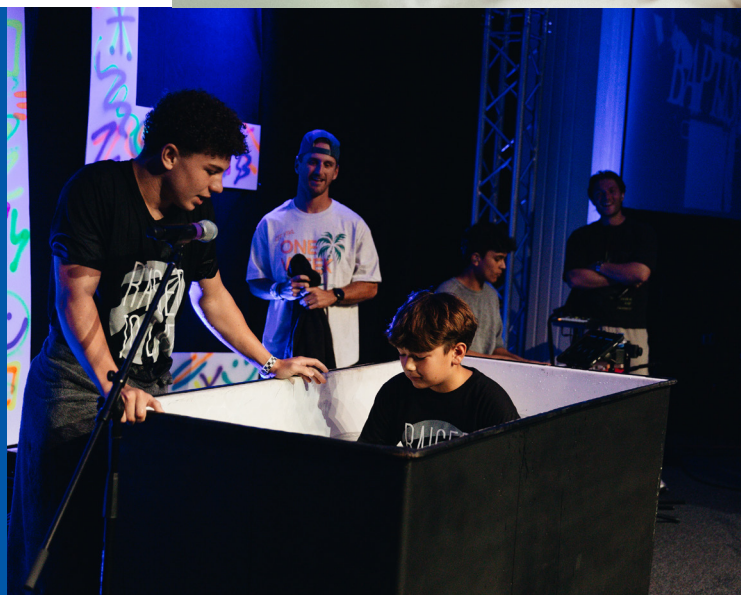

68 students attended High School Beach Weekend, with **30+ leaders** involved.

112 students attended Yth Nights on average each Wednesday.

STF YA

This year, we've seen more Young Adults connect to the life of our church than ever before. **More than 100 Young Adults** are connected in groups, showing up on Tuesday nights, filling seats across our campuses on Sundays, serving throughout our church, and taking significant steps of faith, including **more than 15 baptisms**.

We believe Young Adult Ministry is one of the front doors of our church. It's a place where people in their 20s and early 30s can walk in, be known, encounter the presence of God, and take their next step toward Jesus. But our goal isn't simply to build a bigger Young Adult ministry. We want to see Young Adults become fully connected to the life and mission of South Tampa Fellowship.

At the heart of it all is who we are: broken people becoming authentic followers of Jesus. We believe Young Adults aren't just a demographic we're trying to reach. They're people God is inviting into the story of what He is doing through our church.

WOMEN

Bible Studies

We concluded this year of impactful seasonal Bible studies with our Fall Study. We had an amazing intergenerational response to our fall study of the Trinity, Tara-Leigh's "He's Where the Joy Is," with **nearly 150 registrations**. We would love for you to join us in the winter!

Women's Conference

This year, STF Women gathered for our Summer Women's Conference, Abiding in Christ, with special guest Tara-Leigh Cobble, creator and host of The Bible Recap. **More than 400 women** came together to hear powerful teaching, worship together, and be reminded of what it looks like to abide in Christ.

From worship led by Shannon Estee to a fun and insightful Q&A with Tara-Leigh and Pastor JJ, the weekend was filled with meaningful moments. Women from across our city and even across the states connected with one another and were served by more than **30 volunteers**. Most importantly, we saw women encounter the presence of God and be encouraged to bring that presence back into their own corners.

Christmas Tea

We kicked off the Christmas season with a gathering of over **230 women** who enjoyed community, heartfelt music from Caroline King, and wonderful tea and desserts at tables creatively decorated by our hostesses. Michelle Gall's encouraging message on living authentically set the tone for the Season and served as the springboard for our Conversation Series held in March, April, and May.

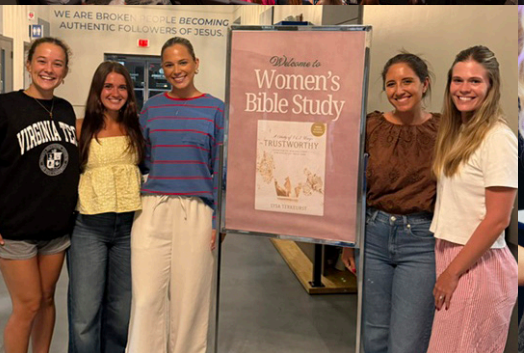

Baptisms

In October, March, and April, we were thrilled to share in the baptisms of those who are a part of our Ministry and to hear their amazing faith stories alongside of family and friends from their corners.

MEN

This year, the men of STF continued to grow in discipleship, community, and living on mission. **More than 200 men** participated in the spring Titus Ten study through Ephesians, and more men are continuing to take steps in discipleship this fall through Disciples Making Disciples. Our spring and fall Men's Nights each brought together **nearly 200 men** for worship, fellowship, encouragement, and meaningful conversations about following Jesus together.

We also found new ways to build community and engage our corners. **More than 120 people** attended our first-ever STF Wild Game Dinner, where men brought their kids, neighbors, and friends together to enjoy wild game harvested, prepared, and cooked by the men of STF. More than **80 people** joined us for Faith Day with the Rays, creating another opportunity for men to invite friends and family, enjoy a night together, and support a local player using baseball to advance the Kingdom. As we've encouraged our church family to engage their corners, dozens of men have become more intentional about being a witness and a light in their homes, workplaces, neighborhoods, and communities. We're seeing men not only grow in their own faith, but begin to disciple others and live out what it means to follow Jesus wherever God has placed them.

MARRIAGE

Married Life at South Tampa Fellowship exists to help couples build marriages that honor God and last a lifetime. Marriage gives us daily opportunities to become more like Jesus as we learn to love, forgive, serve, and put one another first.

This year, **17 couples** walked through Two Becoming One (2B1), growing in God's design for marriage and learning what it looks like to put Him at the center. **67 couples** attended our Marriage Conference with Ted Lowe, and following the conference, **one new couples group** launched to study his Us In Mind curriculum together.

Through 2B1, Date Nights, Weekend to Remember, and Marriage Encouragers, we create space for couples to grow closer to Christ and to each other, wherever they are in their journey.

We want to walk alongside couples as they become authentic followers of Jesus together.

FAITH & FITNESS

This year, STF continued finding creative ways to live on mission in the places where we live, work, play, and connect. **More than 150 people** participated in STF Softball at Gadsden Park, bringing families and friends together for fun, food, and fellowship. One team is made up entirely of Interbay Little League coaches and dads, while several others are primarily non-churched men. **More than 20 STF Ambassadors** have intentionally stepped into this corner to build relationships and share Christ.

Our CrossFit Bible Study brought together **more than 40 men, women, and kids** ages 14–79, creating space to grow both physically and spiritually. STF Pickleball Open Play also continued to grow, with **more than 50 people** and families participating throughout the year and finding community through the game.

We also created opportunities to experience God's creation beyond the city. **Five dads and daughters** spent three days hiking a section of the Appalachian Trail in Tennessee, while **11 men** spent four days rafting the Colorado River through the Grand Canyon. These trips gave people the chance to unplug, strengthen relationships, experience God's creation, and make memories together. **More than 30 men, women, and kids** also participated in the Murph Challenge and another **20+** took on the Spartan Race at Raymond James Stadium, using fitness and community as another way to engage their corners for Christ.

GROUPS

This year, we continued creating spaces for people to find community, grow in their faith, and discover how God is calling them to live. Our spring New to STF group continued meeting through the summer and grew into an ongoing group, while Where We Become became our New to STF curriculum, helping newcomers learn STF's mission, vision, and values as they build meaningful community. We also launched Calling for the Best of Us, built around Will Mancini's Younique process, helping people discover how God has uniquely designed them and the assignment He has given them. This fall, MoneyLife spent 10 weeks walking participants through biblical teaching on debt, budgeting, saving, work, generosity, and investing, helping people pursue financial freedom so they can live more generously.

As we invest in our group leaders, we also identified Six Elements of a Healthy Group: Learning, Shepherding, Community, Growth, Empowerment, and Consistency. These give us a shared framework for creating healthy, Christ-centered groups across STF.

Altogether, **31 groups met this year**, creating countless opportunities for people to connect, grow, and take their next step toward becoming authentic followers of Jesus.

MISSIONS

The Lord was moving mightily through Missions at STF in 2026. This year brought both transition and growth as longtime Missions Pastor Marc Corradino faithfully followed God's call to reach new nations, and we welcomed new Missions Pastor JonJon Elicier, whose servant's heart has already made an impact. Through it all, more people from STF stepped into the mission of bringing the presence of Jesus into every corner of South Tampa and beyond.

From monthly Tampa Hope outreach and GO Days to foster care partnerships, food packing, community projects, and international mission trips, our church family served wherever God opened a door. More than **400 volunteers** served through three GO Days, including **160 people serving Tampa** in November, **125 serving local youth** in February, and **140 serving our community** in September. We packed **20,000 meals for local children** through End 68 Hours of Hunger, served **more than 2,000 meals** to our homeless community, and completed **22 community service projects** throughout the year.

Missions also took us around the world. In July, **88 people** from STF traveled to Nicaragua, Boston, England, the Dominican Republic,

and Colombia to share the gospel, serve alongside missionaries and local partners, encourage churches, and meet practical needs. **Twenty-one of those missionaries** were kids ages 9–12, giving the next generation an opportunity to see what it looks like to live on mission. Our Dominican Republic Father & Son trip brought **28 fathers and sons** together to play baseball, serve families in poverty, study God's Word, and share their faith.

Throughout the year, we continued investing in the missionaries and partners God has connected to STF. We launched SEND Team training, paired every supported missionary with a Champion from STF, and hosted Missions Connect with **27 ministry partners** while launching our 2027 mission trips. Through the STF Food Pantry, Tampa Hope, Created Women, foster care partnerships, and other ongoing outreach, our church continues to serve our city in tangible ways. We are grateful for every person who said yes and went, served, gave, prayed, and shared the gospel. God is using STF to bring the presence of Jesus into more corners of our city and around the world.

STF CREATIVE

This year was full of meaningful moments and opportunities to celebrate as a church family. We celebrated 10 years of Pastor JJ and Sharon faithfully leading STF, giving our church family a chance to honor the ways God has used their leadership over the years. At Easter, more than 2,800 people gathered across all three campuses, including kids, to celebrate the resurrection of Jesus and the hope we have in Him.

We also hosted our first-ever STF Christmas Concert, creating a new opportunity for our church family to invite friends, neighbors, and family members who may not normally walk through our doors. Some made it a date night, others brought their kids, and many simply came together to sing and celebrate Christmas. It was a meaningful night of outreach and a chance to see the gifts and talents God has given our team put on display. The response from those who attended was incredibly encouraging, and we are excited to make the Christmas Concert a part of our church calendar again this year.

OPERATIONS

The Properties/Facilities and Operations ministries are responsible for upkeep, renovation, and cleanliness at the Ballast Point and Davis Islands campuses.

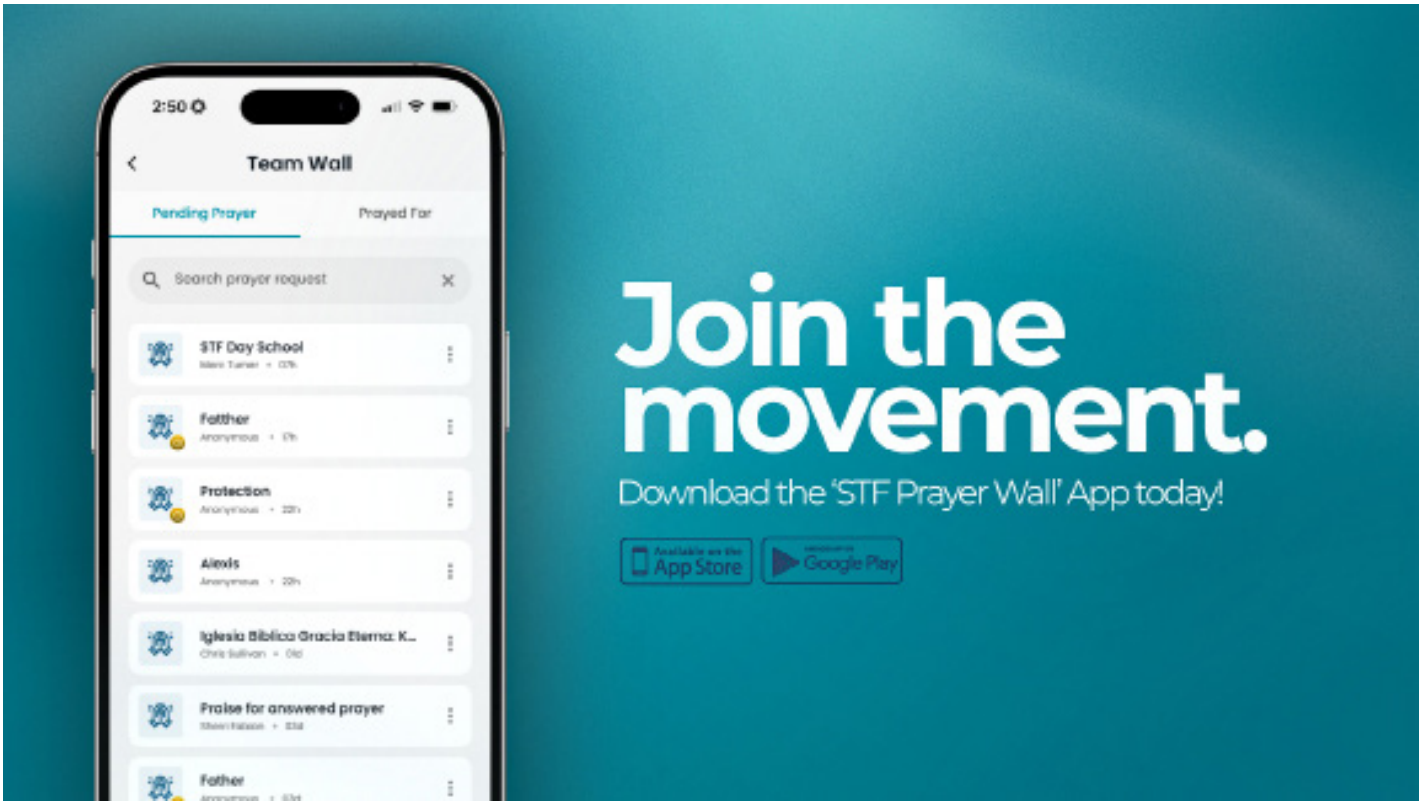

This year, we continued investing in our campuses and spaces to better serve our church family. Improvements included a new AC system for the Kids Hall, a Cafe remodel, updated signage in the Davis Islands Atrium, new AC units for the DI front office and Pastor JJ's office, flat roof repairs at Ballast Point, and new golf carts. We also redesigned the Ballast Point East stage, refreshed the Youth staircase with new carpet and paint, installed new carpet in the Youth room and West stage, and added crosses to the East campus. Landscaping improvements were made at the Como entrance and the STF Day School entrance, helping create welcoming spaces for our church family and community.

PRAYER

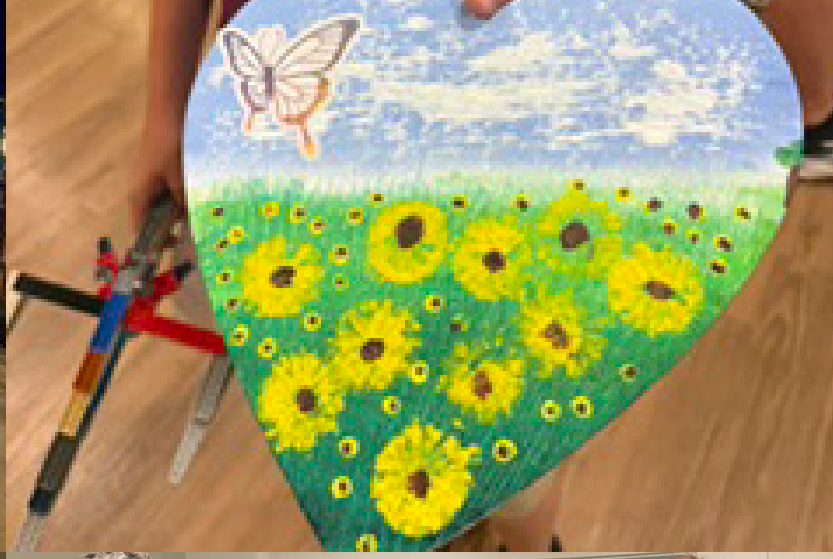

WE'RE BUILDING A CULTURE OF PRAYER!

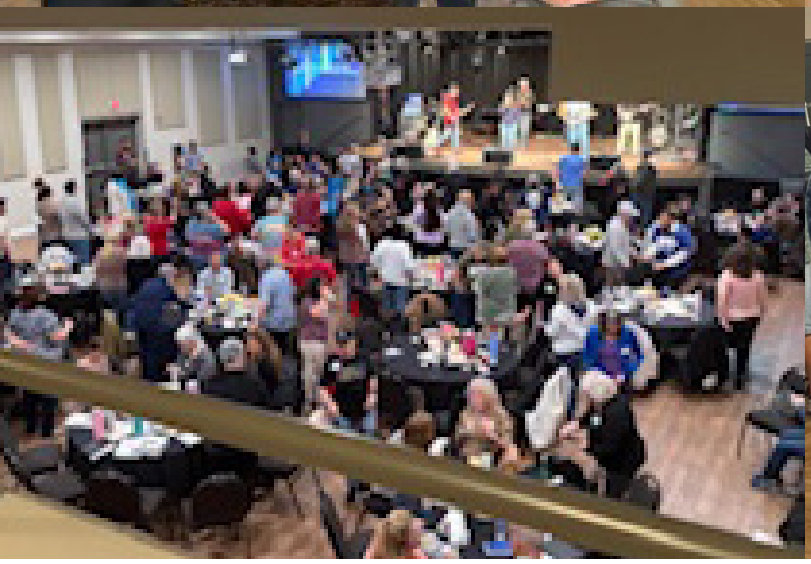

Join our church family in praying for each other. Use the STF Prayer Wall App to submit and manage prayer requests. See the number of people praying for you and be comforted by our continuous and confident support.

Then you will call on me and come and pray to me, and I will listen to you. You will seek me and find me when you seek me with all your heart. Jeremiah 29:12-13

CELEBRATE RECOVERY

This year, Celebrate Recovery continued to live out STF's mission of seeing broken people become authentic followers of Jesus. Each Thursday, **40–76 adults** and **3–6 kids** gathered to find freedom, healing, and community. We saw lives transformed as people surrendered their lives to Jesus, found freedom from addiction and unhealthy relationships, and stepped into serving and leadership. One woman who walked out of sex trafficking and drug addiction nine years ago is now clean, serving as a Salvation Army officer and teaching ballet.

Our small, faithful team continued to live out the CASE by showing compassion, making themselves available, following the Spirit's leading, and empowering others to lead. **15 women** participated in Step Study, including **7 brand-new participants**, and both Step Studies completed all 12 steps. STF CR also hosted a regional training event with **200+ people** from across Florida, extending the impact of this ministry far beyond Thursday nights. We give God the glory for every story of healing, freedom, and another broken person becoming an authentic follower of Jesus.

STF DAY SCHOOL

This year, we opened STF Day School! Just a year ago, we were beginning to dream and plan what this could look like, and now we're already well into our first year. It has been incredible to see that dream become a reality.

Our teachers are creating loving classrooms rooted in Jesus, where students learn about Him, worship together, and begin hiding His Word in their hearts. Our students have already memorized Psalm 119:105 and Psalm 139:14, and we're so grateful for the opportunity to love and serve the next generation while planting seeds we pray will grow for the Kingdom.

Today, STF Day School serves **42 students** and **38 families**. We've also welcomed three assistants to support our lead teachers and create space for more children to join us. We currently have **13 families** on our waitlist for next year.

We're so thankful for what God is doing through STF Day School and excited for all that's ahead.

PROPOSED 2027 CAPITAL BUDGET

Facilities

Ballast Point Campus	Budget
